C. WE MAY USE AND DISCLOSE YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION (IIHI) IN THE FOLLOWING WAYS

The following categories describe the different ways in which we may use and disclose your IIHI.

1. **Treatment.** Our practice may use your IIHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your IIHI in order to write a prescription for you, or we might disclose your IIHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice - including, but not limited to, our doctors and nurses - may use or disclose your IIHI in order to treat you or to assist others in your treatment. Additionally, we may disclose your IIHI to others who may assist in your care, such as your spouse, children or parents. Finally, we may also disclose your IIHI to other health care providers for purposes related to your treatment.

2. **Payment.** Our practice may use and disclose your IIHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your IIHI to obtain payment from third parties that may be responsible for such costs, such as family members. Also, we may use your IIHI to bill you directly for services and items. We may disclose your IIHI to other health care providers and entities to assist in their billing and collection efforts.

3. **Health Care Operations.** Our practice may use and disclose your IIHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your IIHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our practice. We may disclose your IIHI to other health care providers and entities to assist in their health care operations.

OPTIONAL:

4. **Appointment Reminders.** Our practice may use and disclose your IIHI to contact you and remind you of an appointment.

OPTIONAL:

5. **Treatment Options.** Our practice may use and disclose your IIHI to inform you of potential treatment options or alternatives.

OPTIONAL:

6. Health-Related Benefits and Services. Our practice may use and disclose your IIHI to inform you of health-related benefits or services that may be of interest to you.

OPTIONAL:

7. Release of Information to Family/Friends. Our practice may release your IIHI to a friend or family member that is involved in your care, or who assists in taking care of you. For example, a parent or guardian may ask that a babysitter take their child to the pediatrician's office for treatment of a cold. In this example, the babysitter may have access to this child's medical information.

8. Disclosures Required By Law. Our practice will use and disclose your IIHI when we are required to do so by federal, state or local law.

D. USE AND DISCLOSURE OF YOUR IIHI IN CERTAIN SPECIAL CIRCUMSTANCES
